

# GERMANS GIVE GROUND BEFORE GEN. HAIG'S ARMY

Further Withdrawal On the Peronne-Fins Road Is Officially Announced In Wireless Message From Berlin, But Repulse of Canadian Troops Further North Is Asserted

## WITH HEAVY LOSSES TO THE ATTACKERS

French Official Statement Declares That Heavy Fighting Has Stopped On Its Part of The Great War Front, Indicating That Perhaps The Germans Have Retired to Their Trenches

Berlin (by wireless), March 30.—Canadian troops made four attacks last night on German positions east of Neuville St. Vaast. The war office announces that they were repulsed with heavy losses. A further withdrawal of German troops on the Peronne-Fins road is announced.

German troops in northern France, still falling back towards Cambrai under British pressure, evidently have not reached, in this sector at least, the line on which they feel inclined to make a determined stand against the entente armies.

## HEAVY FIGHTING HAS BEEN STOPPED ON FRENCH FRONT

Official Statement Issued in Paris Tells of End of the Great German Retreat.

Paris, March 30.—The heavy fighting on the French front since the beginning of the German withdrawal has come to an end for the time being, it is officially announced.

The war office communication last night was as follows: "From the Somme to the Oise the day was relatively calm. In the Margival sector there was active artillery fighting. The artillery actions were quite violent in the direction of Maisons de Champagne and Hill 204 and in Lorraine in the neighborhood of Emmerveil. "Yesterday a German airplane was brought down."

## GERMANS DISLODGED FROM TRENCHES BY RUSSIANS

They Had Succeeded in Entering Line Along the Oginski Canal Thursday, Says Petrograd Statement.

Petrograd, via London, March 30.—German troops yesterday made an attack on the Russian line along the Oginski canal, but although entrance to the trenches was effected the invaders were afterwards dislodged by a counter attack, according to today's official statement.

## ENTENTE MONARCHS ARE TOTTERING?

German Reichstag Speaker Is Not Reported as Commenting on Status of German Emperor.

Berlin, Thursday, via London, Friday, March 30.—In a debate in the Reichstag today, Dr. Peter Spahn, leader of the Catholic center party, said that the monarchs of all the entente nations were tottering on their thrones. "Those who had been forced to leave their countries certainly would have been dethroned if they had remained. Even the Italian throne," he asserted, "is unstable. If it came to blows with America, Germany would be found ready."

## BRITISH TOOK VILLAGE.

Place of Advance Was East of Ypres in Northern Sector.

London, March 30.—The British forces in France have captured the village of Neuville Bourjoul, east of Ypres, according to the official communication issued last evening. Heavy casualties were inflicted on the Germans.

The Germans are continuing to offer energetic resistance on the northern part of their new line in France. Reuters correspondent at British headquarters in France says the Germans evidently regard Croisilles as a point of great technical importance and are contesting the approach of the British to it in force, but are being hard pressed.

In the capture of Neuville Bourjoul, 8 1/2 miles southeast of Ypres, the correspondent says, the Germans suffered heavily. In this engagement, as well as the one near Croisilles, the British casualties are reported to have been light, the character of the country furnishing good cover for the attacking troops.

This is indicated by the number of machine guns which the British are capturing, showing that the machine-gun crews are being put out of action. The cavalry has taken a considerable number of machine guns by charging their emplacements.

Gen. Haig's statement says: "The village of Neuville Bourjoul

## PUTS RESPONSIBILITY ON UNITED STATES IF WAR IS CALLED

Chancellor of Germany Declares His Country Does Not Want War with the American Nation, But Refuses to Modify Submarine Campaign.

Berlin, March 30, (by wireless to Sayville).—"Germany never had the slightest intention of attacking the United States of America and does not have such intention now. It never desired war against the United States of America and does not desire it to-day," was the declaration made by the German imperial chancellor, Dr. Von Bethmann-Hollweg, in a speech in the Reichstag yesterday.

"Concerning German relations with the United States," the chancellor, whose speech is reported by the Overseas News agency (the German official news bureau), said: "Within the next few days the directors of the American nation will be convened by President Wilson for an extraordinary session of Congress in order to decide the question of war or peace between the American and German nations. "Germany never had the slightest intention of attacking the United States of America and does not have such intention now. It never desired war against the United States of America and does not desire it to-day."

"How did these things develop? More than once we told the United States that we made unrestricted use of the submarine weapon expecting that England could be made to observe, in her policy of blockade, the laws of humanity and international agreements. This blockade policy—this expressly recalled (the imperial chancellor here used the English words) by President Wilson and Secretary of State Lansing. Our expectations which we maintained during eight months, have been disappointed completely. England not only did not give up her illegal and indefensible policy of blockade, but uninterruptedly intensified it. England together with her allies, arrogantly rejected the peace offers made by us and our allies and proclaimed her war aims, which aims at our annihilation and that of our allies. "Then we took unrestricted submarine warfare into our hands, then we had to for our defense. "If the American nation considers this a cause for which to declare war against the German nation which it has lived in peace for more than 100 years, if this action warrants an increase of bloodshed, we shall not have to bear the responsibility for it. The German nation, which feels neither hatred nor hostility against the United States of America, shall also bear and overcome this."

Washington, D. C., March 30.—Search was made by the police to-day for a man seen on the fire escape of a building backing on the yard of the Suffolk county court house early this morning. A patrolman fired three shots at the man after he refused to come down, but the man jumped to a wall, thence to the court house yard and escaped. Since the recent bomb explosion, killing two men, the court house has been closely guarded.

## CHAMP CLARK IS NAMED FOR SPEAKER

Present Presiding Officer of the National House Was Chosen by Democrats by Acclamation.

Washington, D. C., March 30.—Champ Clark of Missouri was nominated for reelection to-day as speaker of the House at a caucus of the Democrats. He was chosen by acclamation. Clark, who has been in Congress more than 20 years and speaker for the last three Congresses, is confident of reelection.

## DOOR FINALLY SHUT.

Von Bethmann-Hollweg's Speech Is So Interpreted.

Washington, D. C., March 30.—Leaders in the executive and congressional branches of the government accept the statement of the Chancellor von Bethmann-Hollweg in the Reichstag as finally shutting the door to a peaceful solution of pending issues.

The Hollweg statement was interpreted by government officials as indicating the determination of Germany to persist in the submarine campaign regardless of consequences.

Secretary of State Lansing made it clear last night that nothing short of an official revocation of the German submarine decree of Feb. 1, accompanied by convincing guarantees for the fulfillment of any pledges tendered, will be "acceptable" to the United States.

The secretary declined to comment on the press reports of the speech of the German chancellor. He said that he would not make any statement regarding German overtures except those emanating from official sources; nor would this government consider personal views in this connection.

The greatest move of German propagandists and peace advocates to head off a congressional declaration that a state of war exists between the United States and Germany has not caused any surprise in government circles. Consequently, little importance was attached to the reports from foreign sources that the German government would make some move between this time and the meeting of Congress designed to prevent war.

The greatest point under consideration by the administration is whether Germany has not unmistakably shown through a long succession of violations of international law, that the United States must definitely unite with the liberal democracies of the world against the complete autocracies, both for its present and future safety.

All hope has been lost, as shown in the note to Germany as to the treaty of 1923, in the good faith of the present German rulers. The Belgian invasion and deportations, the ruthless submarine warfare, the attempts to embroil neutral countries in plots and the general conduct of the war have convinced many officials that the German military system as at present directed is a permanent danger to the world's peace.

## HELD WAR PARADE.

Yale Students Answered David Starr Jordan's Peace Plan.

New Haven, Conn., March 30.—Yale undergraduates last night answered the peace talk of David Starr Jordan with a war parade. As soon as he had closed his pacifist harangue a military procession numbering some 1,500 started just outside the hall in which he was speaking and, brass band leading the line, it moved through the principal streets of the city back to the campus.

Aside from this defiant response to the appeal of Dr. Jordan for Yale students to keep out of the European muddle, Yale men were careful to do nothing to injure the feelings of the California pacifist.

They turned out to the number of more than 2,000 to listen to his peace proposals. Dr. Jordan's address elicited little applause.

He predicted that there would be no war, because Congress would make no declaration of war, and that the Kaiser would back down and refuse to fight America. He declared that Germany, whose war policy was the vital cause of the war, would be crushingly defeated.

Dr. Jordan began his talk in the Lampson lyceum, but shifted to Woolsey hall when he found that more of the crowd were outside clamoring for entrance than were inside listening to his talk.

## MANY INJURED

By Explosion in Munitions Factory in Bridgeport.

Bridgeport, Conn., March 30.—Nine men were injured, five probably fatally, by an explosion that occurred in an experimental and forging shop of the Bridgeport Brass company yesterday afternoon. The cause of the accident is not known. One of the injured, his clothing aflame, was blown through a window and impaled on a barbed wire fence. Company officials say all employees are accounted for, although they are unable to give the names of those injured. The company has a number of war contracts for cartridge blanks and shells.

Berne, Switzerland, Thursday, via Paris, Friday, March 30.—A neutral diplomat arriving from Vienna to-day asserts that Austria is almost feverishly anxious to retain good relations with the United States, but is even more desirous and determined to support Germany. According to this diplomat, if America and Germany go to war, Austria will follow the lead of her ally, but if peace is preserved, Vienna hopes to avoid a break with the United States.
